

People Are Talking

“Michelle Taylor was very professional, informative and well prepared. After meeting with her and explaining what my requirements were she not only provided me with a vast selection of homes to view but also was able to meet the time frame criteria that I required.”

Alfred H. Kirby
Lucent Technology

“My purchase experience with Michelle was great. I found her to be professional and knowledgeable. She was a joy to work with. Her responses were prompt and she was quick to answer all questions in a timely manner. Her work ethic is unmatched by her peers. Anyone who employs this young lady will be very pleased with their choice.”

Keith B. McWright
AT&T

“My philosophy about real estate is simple. Work hard and treat people the way you want to be treated and success will follow.”

REALTOR®

The most important part of my job is communication. I know the buying/selling process can be a confusing and anxious time for most people. I take ample time during our first meeting to discuss and explain all of your options. After our initial meeting, you can count on the fact that I will keep you informed and updated through every step of your transaction.

▼ Communication

Communication is a vital element in business, especially in real estate. Perhaps that's why Michelle excels. For a buyer or seller of a home, information is critical to making decisions that are both personally and financially successful. She understands she'll do whatever it takes to make you feel comfortable and positive about your real estate transaction. How? By listening carefully to your needs and concerns.

▼ Patience

Michelle begins by offering solid advice based on proven facts and information. Understanding your needs with a focus on straightforward problem solving are the keys that make Michelle's selling strategy successful. High pressure tactics aren't just unpleasant and unfriendly, they aren't necessary.
