

Copyright Release Agreement

This represents an agreement between the photographer (the copyright owner) and you. When you get your pictures taken, have the photographer fill out this form, thus giving you the legal right to use the photos.

The person or company that takes the pictures owns the copyrights of all photos taken, regardless if you paid them to take the pictures or not. In order for our Graphic Designers to use pictures taken from anyone else other than you, we need to have this Copyright Release Agreement filled out by the owner of the photographs. Please have the copyright owner fill this sheet out and you can submit this with your design selection sheets.
